20th Century Modern Classics

Ray & Charles Eames

American Designers

Ray and Charles Eames, a husband and wife dynamic design duo. The couple are perhaps the best known American Designers of their time.

Based in Los Angeles they were enthusiastic explorers of new technologies across architecture, furniture and industrial design. They were pioneers in innovative technologies using materials such as fibreglass, plastic and wire mesh.

The Eames belief in modernism as a way of social change; provided the general public with access to quality design, using modern materials and production techniques. Affordable designs for the masses.

One of their most recognisable designs was introduced in 1956. It was the iconic Lounge Chair & Ottoman.
