20th Century Modern Classics

## Verner Panton

## Danish Designer

Like Hans Wegner, Verner Panton was an apprentice in Arne Jacobsen's architectural practice and assisted Jacobsen in the creation of the famous "Ant" chair.

The Panton chair which was the first single material and single form chair ever made. It is one of the most daring and famous chair designs of the 20th Century.

It was designed in 1960 but did not reach production until 1967 due to the significant technical challenges associated with manufacturing such an item.
